

Microsoft Dynamics 365 F&O Finance Support Consultant

WHO is HSO ProServ?

HSO ProServ is the premier provider of Microsoft Dynamics 365 cloud solutions for professional services firms and other project-driven businesses for the past 20 years. We are an 11-time Microsoft Partner of the Year and a proud member of Microsoft's elite Inner Circle representing the top 1% of Microsoft Partners worldwide. Our family of vertical solutions extend the core functionality of Microsoft Dynamics 365 to provide an unparalleled offering in the marketplace for architecture, engineering, and construction firms, accounting firms, consulting firms, and law firms. Our industry solutions include: accounting360, legal360, aec360, and consulting360.

WHY should you join us?

- We are offering a full-time position as a **D365 F&O Finance Support Consultant** with a competitive salary and benefit package.
- You will work for an Eleven-time Microsoft Partner of the Year award winner.
- We are on the forefront of new technologies and engage directly with the Microsoft engineering team.
- You will be working with a long tenured, highly experienced, collaborative, supportive, and a fun goal-oriented team.
- We are committed to our service industry vertical focus – you will not be in manufacturing one week, retail the next, then distribution. You can focus and grow your skills in a single industry.
- You will be part of one of the largest resource pools of any Microsoft D365 partner – bringing local expertise combined with global reach.
- We are 100% dedicated to Microsoft Dynamics 365 and the Power Platform; we have no other lines of business or competing priorities.
- You will be taking part in an exciting work environment with some of the best and most experienced Dynamics 365 Functional and Technical Consultants in the business.

WHAT do we need?

We are looking for an experienced **D365 F&O Finance Support Consultant** for managed services to provide engagement with a strategic customer. They will provide support and overall application expertise on the solution to end-users & clients. They will be relied upon to define D365 F&O functional requirement and design documents that developers can use for enhancements. They will be relied upon to test enhancements for end-user acceptance and accuracy. They will be relied upon to identify opportunities to improve the use of the solution. They will be relied upon to train end users on efficient use of the solution. They will be relied upon to communicate issues and project tasks with appropriate personnel.

Requirements:

- A minimum of 2 full cycle implementations of D365 F&O
- Microsoft D365 certifications
